Dear Earl:

How can I thank you for such a stimulating and profitable week? It was a thrilling experience to work with you and the rest of the brethren in the Sacramento area. I was so pleased with all of the arrangements, all of the detailed planning that had been done, and the very competent way in which these plans were executed throughout the week. You provided an image that I know the community sensed, an image of the deep conviction of genuine concern and of thorough commitment to the task of making Jesus Christ relevant to modern man as the more excellent Way.

I have heard from Bill Teague that you did an outstanding job in Los Angeles. I am so thrilled at that meeting and appreciate so much what you did to help the Los Angeles campaign. I feel much better about it already, and I respectfully request your prayers throughout the week of October 22-29.

Please thank your elders for their very generous honorarium. I was very appreciative of all of the encouragement given me by all members and preachers in the Sacramento area. Let me thank you and all of them for letting me be a small part of your California for Christ efforts.

Your brother,

John Allen Chalk

Dear John:

Brother Don Blachly informed me of your recent telephone conversation. He said that you requested an itinerary for your October 8th-13th Memorial Auditorium meeting. It is somewhat limited at this time because of the necessity of making you available to the newsmedia contingent upon the arrival of Pat Boone. I'm sorry to say, but this portion of the program has not been confirmed as yet.

I understand you will arrive in Sacramento sometime Saturday evening. We have you scheduled to speak for the North Sacramento congregation during the Sunday A.M. worship service. We would especially like for you to speak on "The Joy Of Being A Christian." In other words your Pepperdine lecture last month. Sunday afternoon there will be a meeting with Hugh Tiner, Master of Ceremonies, Paul Downey, Song Director, and yourself. This will be for planning and orientation for the Sunday evening program. There will be other meetings throughout the week with various congregations contingent upon your free time after the Public Relations schedules have been completed.

We are anxiously waiting for our Campaign and Christian fellowship during our October meeting.

Sincerely in Him,

Earl Packwood, Jr.
